Dear Harold,

I duly received your letter dated february 22, 1979, concerning the films about J.F. Kennedy I sent to C.B.C. Montreal on November 5, 1977.

I am very sorry about this occurence ; nevertheless, you can be sure that I have been always very sincere. I just carried out your request and sent the films to C.B.C. Montreal. But I really think it would have been much better sending these films directly to you, than through a third party.

As I suggested in my letter dated November 17, 1978, I am going to forward you as soon as possible a very good quality super 8 print of the duplicates of the extracts of your films I used myself for my editing.

Hoping that you will agree with this proposal, I remain,

Yours sincerely,

Jean-Michel CHARLIER
